Portfolio: tamilselvanrangasamy.vercel.app

Summary

Frontend Developer with 3+ years of experience building high-performance, scalable web applications using React.js and Next.js. Skilled in creating responsive, SEO-optimized user interfaces, integrating REST APIs, and improving application performance. Strong expertise in modern frontend technologies and component-based architecture.

Core Skills: React.js, Next.js, TypeScript, Redux, REST APIs, Performance Optimization, SEO, React Hooks

Technical Skills

- **Languages** : JavaScript, TypeScript
- **Frontend** : HTML5, CSS3, React.js, Next.js, Tailwind CSS, Material UI
- **Backend** : Node.js, Express.js
- **Databases** : MongoDB, MySQL, SQL
- **Tools** : Git , GitHub, Vercel , Postman
- **State Management** : Redux, React Hooks, Context API

Professional Experience

Frontend Developer

Nurture Infotech , Erode | Jan 2023- Present

- Built optimized React.js and Next.js applications, improving load time by 35% through performance optimization
- Implemented SSR/SSG in Next.js to improve SEO and Core Web Vitals (FCP, LCP)
- Developed responsive UI using Tailwind CSS and mobile-first design principles
- Managed global state using Redux and React Hooks, reducing unnecessary API calls
- Integrated REST APIs, improving frontend-backend data flow and application performance
- Migrated codebase to TypeScript, reducing runtime errors by 45%
- Automated deployments using CI/CD pipelines, reducing release time by 40%
- Used Git for version control with feature branching and pull request workflows

Projects

AgreedPro - AI Contract Management Platform

Tech : Next.js, React.js, TypeScript

- Developed a full-stack web application using React.js, Next.js, and REST APIs
- Implemented SSR/SSG for SEO optimization, achieving 95+ Lighthouse score
- Built reusable and responsive UI components using Tailwind CSS

Codeself Infotech – IT & AI Solutions Web Platform

Tech : Next.js, React.js, TypeScript

- Built scalable and responsive frontend using React.js and Next.js
- Improved web performance by 35% through code splitting and lazy loading
- Integrated REST APIs and ensured cross-browser compatibility

Education

M.E. in Engineering Design, Nandha Engineering College, Erode (2024) – 89.5%

B.E. in Mechanical Engineering, Nandha Engineering College, Erode (2021) – 91.3%

Languages

Tamil (Native), English (Working Proficiency), Japanese (Basic)
